Updates

Demolition Delay Final (Frank/Mark) – ready to go before Community Development for approval, delayed until October sometime.

Cellar Hole Inventory (Frank) - Use Castle Hill Road one and Stickney cellar hole

Cultural Resource List (Joanne) – need to meet Friday 10/2 at noon workshop to review the cultural list changes.

Master Plan (Peter/Joanne) – on hold until we are done with Demo Delay and Cultural List

Campbell Farm (Peter/Wendy) – Oct 6 conservation commission meeting workshop at Cable Studio to discuss report

Church Steeple (Wendy) – per Richard Dwyer MMR no word yet so still think will start early October

Wendy check Garaphelia Park for plague dedicating wall

Discussion

- Crucius House – Peter said Karl Dubay said Alex Ray is going to dismantle Crucius house and store the parts for use in future works he does
- Town Hall window film for window at rear of building. It is messing up the cameras when the sun comes in. Motion to approve Wendy, Joanne second, all in favor
- WPC Stone Wall – Mike Hutchings asked to put rocks around the sign Drew did for the church; Frank told her to bring it to HDC/HC. Possibility it could be a Beautification Committee project.
- Humanities Council – Frank attended a presentation.
- Town Center Beautification – Oct 5th members being appointed
Indian Rock - Oct 5th Beautification Committee can address
Frank asked if the state can fix Indian Rock Park since they damaged it during 93 by-pass work.

Round Table

- T-Shirts from Hooksett Frank bought one
- Joan and Wendy Walked in sheep pen area and found the “headstone” in the middle of pen which doesn’t appear to be a true headstone, we did find the old cellar hole on what was the original walking trail prior to development of Bear Hill Road.
- Need a date to tour the old log cabin; September 29th and October 6th noon time requested. Meet at museum first.
- October 7th is next meeting

Meeting adjourned 7:10 pm motion Peter, second Joanne, all in favor.
