Technical Advisory Committee Minutes
February 12, 2004

Meeting Called to order 7:20 PM

Attendees: Jacques Borcoche, J. Gross, Greg Cappiello, Paul Keller and Alan Carpenter.

Jacques Borcoche moved to approve minutes of January, J. Gross seconded, approved unanimously.

Review of Mr. Borcoche's network diagrams of the library network was started. Documentation availability of Town systems was discussed. Asset tagging improvements was suggested. Mr. Carpenter initiated action items relating to documentation presentation.

Discussions of T1 service and voice/data channel allocation were made to improve service and cost. An Adelphia cable modem in the Library was provided as part of our Town Cable Agreement. Mail and critical services will remain on T1 and web services will go over the higher bandwidth cable modem.

A resident suggested that a message board would be a useful addition to the Town website. Pelham has one. The Town calendar will be improved with recreation information in the future.

Transfer station access was discussed.

Meeting adjourned 8:08

Group proceeded to activate the cable modem and wireless router. Minutes send via same.
