

NH Shoreland Water Quality Protection Act

FREE Public Informational Workshop

Saturday February 18th

9:30-11am @ Community Development Department

Light refreshments provided

Sponsored by:

Cobbett's Pond Improvement Association

Windham Community Development Department

Jay Aube , the NH Department of Environmental Services Shoreland Program Outreach Coordinator, will be giving a presentation on the Shoreland Water Quality Protection Act (SWQPA), formally the Comprehensive Shoreland Protection Act (CSPA). The CSPA was amended effective July 1, 2011, and a thorough review of the changes will be presented. There will be time set aside for Q&A from those in attendance.

Please feel free to contact Laura Scott, Community Development Director, at 432-3806 or lscott@windhamnewhampshire.com for more information.
